HINTS FOR FRUIT AND VEGETABLE – thankyou to the steward for the tips.

Read the schedule
Presentation is important: no dirt on the vegetables, tidy up dead roots or leaves,
Try to choose vegetables/fruit that are the same size
Consider using a takeaway container or paper plate to show off your entry (especially beans, nuts, the very small cherry tomatoes)
TOMATOES – for all tomato entries: leave sepals on the top of the tomato (the five leaf structures cut stem neatly – short) or if they have come off make sure others are the same.
Cherry tomatoes – don't wash as they split with moisture
Try to have matching entries same size, colour (especially important in cucumber, zucchini, marrow classes)
Zucchini – ideally about 10 to 20cm in length, similar shape, vibrant consistent skin colour (dark green or gold) thin skin, and about 1-2cm of firm stalk attached.
A zucchini that is bigger than 20cm will be entered in the Marrow class.
For entries that wilt e.g. Herbs, silverbeet, spinach, asparagus, parsley, rhubarb please bring a suitable container that holds water which will keep your entry looking fresh.
If the show schedule states plate e.g. beans (plate 10-15) it must have 10-15. Judges will count the exhibit and if there is not enough or too many – it may not be judged.
Root vegetables should have tops on (carrots, beetroot) reason – you could have bought them from a shop, it still has the tops on we know it is home grown.
Collection means 1 (one) of each different variety e.g. collection of tomatoes – red, yellow, cherry, round, egg.
Dozen eggs section – must be presented in an egg carton.
You might have a funny shape vegetable or fruit we have a class for this also a class for the heaviest sweet potato
